

Flying Dove

Making Dreams Fly in
remembrance of
Martin Luther King Jr.

DIRECTIONS:

1. Print on cardstock and cut out doves.
2. Write down dreams relating to world peace.
3. Tape a large straw or paper rolled around a pencil to the underside of the dove. Tape the front end closed.
4. Place large straw onto a regular straw and blow into the other end to send your dreams and the dove soaring!
How can you make the dove fly farther? Higher?
